WORK EXPERIENCE

Account Executive - Client Solution & Campaign Operations 03/2025 - Present

SIA Innovation Marketing Agency / SIA Hub

- Acted as Account Executive, lead or vice lead for selected influencer, affiliate and social commerce campaigns, coordinating client requirements, internal resources, creator operations and campaign deliverables.
- Managed 2-3 concurrent projects depending on complexity, with project durations ranging from 1-2 months to 3-6 months under AM strategic direction and approval.
- Worked mainly with Brand Manager-level clients; joined meetings to present plans, update progress, clarify feedback and resolve execution issues.
- Coordinated scopes across KOC/KOL booking, affiliate operations, livestream add-ins, TikTok Shop/Shopee support, content angle, ads support and client reporting.
- Managed quotation, costing, creator cost, campaign budget and margin/P&L tracking for projects from approximately VND 35M to VND 350M.
- Contributed to 12-15 proposal/pitching processes across research, planning, deck preparation, quotation and client follow-up, with around 12 wins.
- Handled common risks such as GMV under-performance, timeline pressure and creator/content issues; coordinated quick-response solutions such as ads budget push, operational support or small-volume buy-in when suitable.
- Trained 3-6 interns/trainees/juniors on booking, creator data, reporting, timeline tracking, content checking and execution workflow.

Selected scale: 2-3 concurrent projects; 100-800 video deliverables/campaign; 5 mid-tier KOCs or 100+ small KOCs/month; brand exposure includes Better Me, Kotex, Clear, Dove and Sachi.

Business Development & Team Operations Support 03/2025 - Present

SIA Innovation Marketing Agency

- Supported service package development, proposal structure, pricing materials and agency capability decks for KOC/KOL, social commerce, livestream, e-commerce and digital campaign needs.
- Joined outreach, client follow-up and account nurturing after pitching, helping convert opportunities into active campaign scopes.
- Set up team operating workflows, including hiring support, onboarding, task routing and standardized client reporting updates.
- Supported a full e-commerce shop launch plan, yearly planning and communication strategy; worked with the team to help one client product grow to Top 2 in its category.

E-Commerce Account Operations 06/2024 - 02/2025

SIA Innovation Marketing Agency / SIA Hub

- Planned and monitored monthly revenue across TikTok Shop, Shopee and commerce channels.
- Managed livestream operations, marketplace ads support and KOC/KOL booking coordination.
- Tracked GMV, sales activity, campaign content and optimization points during operations.
- Consolidated sales, livestream and advertising data to suggest content, budget and channel execution adjustments.

Result: supported commerce operations reaching approximately VND 1B GMV within 6 months.

E-Commerce & Digital Marketing Intern 06/2022 - 11/2022

Hitta JSC / HPLIFT Elevator / OCOP Soc Trang

- Designed and updated WordPress websites; wrote SEO content, researched keywords and optimized product pages.
- Set up e-commerce stores; designed thumbnails, banners and promotional visuals while managing product information.
- Updated products, monitored storefront display and handled sales-related content revisions.
